From: eBay
Sent: May-22-22 16:56

The refund amount will be recovered from you by eBay

This case is now closed

Hi Brad,

We reviewed this case and decided to issue the buyer a full refund.

We understand that you received your item in a different condition than when you shipped it, but unfortunately we couldn't determine that this was caused by the buyer, or that this was something in the buyer's control.

A refund of US \$89.55 was issued on May 22, 2022 to the buyer. The refund includes the purchase price plus original shipping.

The refund amount will be recovered from you by eBay.
